COURSES

2018

Dear Erasmus+ Coordinators and Teachers,

We are pleased to present our **2018 Teacher Development Catalogue**.

For your convenience we have managed to put together an offer of 18 most renowned teacher training institutions in the UK, Ireland, Malta and Germany in order to simplify choosing the most suitable courses for your organisation.

Teacher Development Courses is a brand of Context Language Solutions Ltd., which was founded in 2001. Since then we have helped thousands of teachers to develop their skills. Since 2013 we have been a recognised EnglishUK partner agency, which proves our professional approach and dedication to the highest quality of services.

Why use our services when you can find courses yourselves?

- All available **training courses** are listed on our website, so there is no need to look for each of them separately on numerous websites. All centres possess all required certifications and accreditation (British Council, EnglishUK etc.)
- We offer comprehensive cover for the whole of your stay. The **insurance** is SPECIFICALLY DESIGNED for students and teachers attending our courses (more details on our website)
- Apart from training courses and travel insurance, we also organise different types of **accommodation** so that you do not have to worry about finding a place to stay yourself and can focus entirely on enjoying your course
- We provide all necessary paperwork required by National Agencies, including **end-of-course certificates** and **payment confirmations**
- Some of the schools we offer are located within driving distance from the airport, so we also help to organise **transfers** if required
- We can also assist you in case of emergency or any problems that might arise during your stay abroad
-

Please visit our website www.teacherdevelopmentcourses.uk to find out all details including course contents, pictures and videos of all centres, detailed pricing and promotions.
