Course Outline

This course is aimed at teachers and language learners with a level of English of C1 or C2. It will give you the confidence and familiarity with current issues, media representations, stereotypes, cultural and political figures and recent events in Britain. Material and tasks are more adult and appropriate for university-level students or simply for your own pleasure and language learning! The course combines discussions, lectures, different media and visits within London on the connected themes

Content

We will provide a questionnaire for participants before they arrive to express preferences or make requests which we will try to incorporate into the course if possible and where there is agreement between participants. This means specific content will vary from course to course. Some topics you might cover are:

Class

Housing, regeneration and gentrification

Common UK cultural stereotypes / cities

Youth issues

UK economy and business trends

Hipster culture and influence

Drinking and drug culture

Comedy and cultural insights

Comedy and language – catch phrases and types

Immigration

Multicultural Britain

Religion

Moments in recent history

Influential people in the UK

Health service

Sport and sporting clichés

Education

Language - new words, idioms and colloquialisms

Family trends and relationships
 Gay cultural influence
 Women in UK society

TV programmes and influence
 UK Media and Music
 Modern literature and stories

Outcomes

After this course participants will:

- be more comfortable in their knowledge of contemporary UK culture
- be better able to deal with cultural references in conversation
- be more able to understand colloquial language
- be aware of a variety of internet resources and writers for study beyond the course
- go away with some material they can use in adult or university classes
- know London better

Check it's the course for you:

- I am a teacher with English of C1 or C2 level
- I am primarily interested in learning more about UK culture and some related language
- I am happy to get some tips and materials for my class but that's not my main goal
- I want to be more comfortable with colloquial language

If it's not for you:

- I want a language course but my English is a lower level – try **English Boost**
- I am more interested in material and teaching – try **Teaching Lexically** or **Developing Material**
- We are a group who want to study together or you want a tailored course - contact **Andrew Walkley**
