

British Institutions, Life and Culture

A course combining personal language development with an introduction to some of our institutions - newspapers and their role in British Society, government the legal system and the British education system. Organised visits will include some of the following depending on the time of year and availability: Crown Court, County Hall (the seat of the local government), a theatre production and places of historic or geographic interest.

COURSE DATES

Sun 15th - Sat 28th Aug 2018
