

German Language Courses

20 lessons (45 minutes each) per week in the morning from Monday to Friday, 9:00-12:30 (break 10:30-11:00).
Max. group size: 12 students*.

The main goal of our Standard German language course is to train your communication skills in German. We will give you a lot of opportunities to speak in class. There will be exercises to improve your listening comprehension skills and you will get a sound knowledge of the German grammar.

We offer our Standard German course throughout the year at all levels.

Please note: Courses for absolute beginners start every 4 weeks only.

You may book the standard course for one week only, but we recommend a minimum duration of at least 2 weeks.

There are special offers for long term standard courses from September to June. Have a look.

*We always try to stick to this maximum in our Standard German Language Course.

We succeed in doing so almost always, but unfortunately we cannot guarantee this limit.
